- Assisting a German multinational engineering and technological company in settling its agreement with its employee;
- Advising a German provider of data and analytics to the consumer goods industry in terminating its employment agreement upon liquidation of its branch office in Iran;
- Advising a Turkish-Iranian joint venture company on its employment issues, including drafting of their employment agreements, termination notices, and settlement agreements; Advising a Chinese investor regarding their employment liabilities upon take-over of an Iranian factory.

PHARMACEUTICALS AND
MEDICAL EQUIPMENT

Our team has vast experience in pharmaceutical industry and this puts us in a position to help you navigate your business through an increasingly complex regulatory environment particularly in your dealings with the Food and Drug Administration (FDA) and Ministry of Health. By taking an interactive and pragmatic approach, we are well-positioned to help you register your products with the Iranian FDA and obtain any necessary licenses and permits needed to run your business. Instances of such years of experience are as follows:

- 
- Analysis of distribution agreements and providing the client, an international company specialized in the design and production of orthopedic products, with a memorandum on grounds for termination of agreements as well as drafting letters of termination to be sent to the counterparty.
 - Advice to a European company on regulatory aspects of their domestic manufacturing and local content, and reviewing a memorandum of understanding with the Iranian FDA. Advice to an international group active in the field of life science and cosmetic, on operational aspects and issues such as employment & SSO matters, termination of a distribution agreement, tax, revisiting toll manufacturing agreement and pricing methods.
 - Providing a Japanese distributor and manufacturer of medical devices specialized in the cardiovascular field with a memorandum on import and production necessities of medical equipment inside Iran.

Our lawyers' individual experiences prior to establishment of Elite Pars

- Advice to a European life science company on insurance coverage, legal and tax structuring and assistance for setting up Iranian operations. Advice on legal and operational aspects of pharma market, domestic manufacturing of pharma products, protection of IP rights and legal action against local competition to a Swiss life science company.
- Advice to a Swiss Life Sciences Company on legal and operational aspects of pharma market, domestic manufacturing of pharma products, protection of IP rights and legal action against local competition.

FAMILY LAW

As one of the most challenging bodies of law, family law comprises one of the main practices of our team. Our firm has built up broad experience in different fields of family law including but not limited to marriage, divorce, custody paternity and child support, guardianship, name changes, succession and its economic aspects such as alimony and dowry.

When it comes to family related cases, it is important to keep up with the latest changes in respective regulations and to scrutinize personal status of clients to properly discern the state of affairs of each case. Our experts inquisitively observe the latest legislative modifications in Iran and are also well equipped with extensive knowledge of personal rights, especially with regard to rights related to nationality to render most proportionate solutions based on each client's specific situation and characteristics. Our team of seasoned attorneys also represent clients in family courts as well as the Dispute Resolution Council in claims involving proof of marriage and divorce, presumption of death, negation and proof of lineage. Examples of such years of experience are as follows:

- 
- Preparation of an expert report to the High court of Justice of England and Wales Family Division on a child custodianship and parental responsibilities case.
 - Provision of legal advice on obtaining identity papers and documents and repudiation of inheritance to a dual-citizen client.
 - Providing legal advice on obtainment of Iranian citizenship and related rights to a Swedish-Iranian client.
 - Representing numerous clients in family court on divorce cases containing desertion claims.

Our Team

PARTNERS

Dr. Navid Rahbar Sato

Managing Partner

Dr. Navid Rahbar Sato is a founding partner and the managing director of Elite Pars Law Firm. He is a qualified international and domestic lawyer in the Iranian market with a primary focus on cross border transactions and oil and gas law. With several years of experience, he has extensive comprehension of the national, regional and international commercial legal systems. He also handles litigation and arbitration cases where he sets out the legal strategies and heads the team in the process.

He particularly advises clients on energy law, foreign direct investment, incorporation, mergers and acquisitions as well as import and export regulations in the region including sanctions' compliance matters. Navid holds an SJD from Washington College of Law and is a Vanderbilt LL. M. graduate of NYU School of Law and an International Trade Law LLM graduate of the American University of Washington D.C. He is an assistant professor at Shahid Beheshti University of Tehran. Navid speaks fluent Farsi and English, as well as basic French and Japanese.

Dr. Nima Nasrollahi Shahri

Partner

Dr. Nima Nasrollahi Shahri is a founding partner at Elite Pars Law Firm and heads the energy, investment law and arbitration practices of the firm. He is a seasoned lawyer in the field of oil and gas and renewable energies and has advised major international oil companies with respect to their participation in Iranian oil and gas projects. He holds a PhD in International Investment Law and has completed the LL. M. program of University of Dundee in Petroleum Law and Policy.

He has a long list of Persian and English publications and is currently the director of oil and gas law LL. M. program at the University of Science and Culture in Tehran where he is now supervising several dissertation theses, mostly related to the same field as well as commercial arbitration. Nima regularly does pro bono educational activities. He speaks Farsi, fluent English, French and Arabic.

PARTNERS

Mojtaba JafariAkha

Partner

Mojtaba JafariAkha is a partner at Elite Pars Law Firm and is an experienced Iranian attorney with substantial experience in various fields of law. He heads litigation and IP departments. He is an expert in the field of international property rights, especially patent and trademark registration and he frequently advises and represents clients on commercial and corporate matters including employment and tax disputes. Mojtaba is a member of Central Bar Association of Iran and holds an LL. M. degree in International Commercial Law from Shahid Beheshti University of Tehran. He speaks Farsi and is also fluent in English.

OUR TEAM

Kimia Hajpuri

Counsel

Kimia holds an LL.B. from Allameh Tabataba'i University and as a top graduate she was admitted directly to pursue her studies on the master level in the field of International Trade Law, focused on international arbitration. She is a PH. D candidate in international trade and investment law and is currently working on her thesis. As a counsel, Kimia is now involved in intellectual property practices of the firm, especially trademark cases. She is also focused on commercial and corporate matters including registration of companies, reviewing and drafting contracts such as joint venture and shareholder agreements. Kimia has participated in Willem C. Vis moot competitions as a member of Allameh Tabataba'i University team in 2019 and the 17th FDI Moot as a coach. She has several publications mainly focused on Iranian judicial practice. Kimia speaks Farsi and is also fluent in English.

Mohammadreza Afshari

Senior Associate

Mohammadreza Afshari is a distinguished professional with dual majors in Law and Business, holding a bachelor's degree from Allameh Tabataba'i University. Currently, he is furthering his legal expertise by pursuing an LL.M. in International Trade Law at Shahid Beheshti University. His academic journey is marked by active participation in a wide range of scientific activities across both business and legal domains. Mohammadreza has authored multiple articles and papers, and has notably participated in prestigious international competitions such as the 31st Willem C. Vis Moot in Vienna, the 17th Permanent Court of Arbitration Vis Pre-Moot in The Hague, and the 17th FDI Moot in Berlin. His areas of specialization include contract drafting, export-import operations, and due diligence. In addition to his legal and business acumen, Mohammadreza is expanding his expertise into the dynamic fields of blockchain, Oil & Gas law, arbitration, and foreign direct investment. He is linguistically adept, being a native speaker of Persian and Azerbaijani, and is highly proficient in English and Turkish.

OUR TEAM

Sogand Sheybani

Associate

Sogand Sheybani, an accomplished legal professional, is currently enhancing her expertise in international law through an LL.M. program at Shahid Beheshti University. With a significant background in working for governmental organizations, Sogand brings a wealth of experience to her current studies and professional endeavors. She has contributed to the field through multiple papers, reflecting her deep engagement with her areas of interest. These areas are diverse, encompassing Oil and Gas law, Arbitration, and Export and Import regulations. Sogand, a native Persian speaker, is also fluent in English, which further enables her to engage with a global legal audience.

Maedeh Safari

Associate

Maedeh pursued undergraduate and postgraduate legal studies at Tehran University. Her research focus spanned a diverse range of topics, including international dispute resolutions, arbitration, foreign investment law, conflict of law rules, e-commerce, and maritime law. Maedeh has participated in 17th FDI Moot as a coach. She also attended numerous international courses such as the Private International Law Summer School at the Hague Academy of International Law to broaden her professional horizons. Maedeh speaks both Farsi and English fluently.

OUR TEAM

Fariba Safari

Financial Manager

Fariba is the financial manager at Elite Pars Law Firm. She holds a Master's degree in management accounting at Raja University. Prior to joining Elite Pars, she worked with myriads of corporations involved in services, production and commercial businesses, including an Iranian-European company specialized in providing branches and agencies of foreign companies with financial and investment services in Iran. As an adept accountant, Fariba has also participated in the Tax Advice Course at Professional accountants Centre for Training (PACT). She speaks Farsi and is also fluent in English.

Elite Pars was established to embody our vision of the best way to meet the needs of our clients. For the past several years, our team has had a leading role in navigating various industry participants into the Iranian market. We have capitalized on the opportunity of being at the forefront of delivering legal assistance to international and local market players in different sectors. We, at Elite Pars Law Firm, work together to be the place where trust, creativity, enthusiasm and hard work unite.
